Subject: RIN 1210-AB32

To Whom It May Concern:

I strongly urge you not to approve this bill. The ability to sell covered calls options in my IRA account has been very helpful to increase returns and reduce risk. I've spent many hours studying options and carefully using that knowledge over the past few years. It has definitely been beneficial financially for me.

Again, I respectfully request that you not approve this bill.

Sincerely,

Steve Smith
